Thank you for the opportunity to quote on the following item(s).

Line Nbr	Item ID Item Name / Cust Item ID Revision Item ID	Taxable	Req Date	Req Qty	Unit Price						Extended Price
1	ECAL 3KW POWER SUPPLY	No	11/30/2004	10.00	\$395.0000	\$0.00	\$0.00	0.00%	\$0.0000	\$0.0000	\$3,950.00
2	DOCUMENTATION	No	11/30/2004	1.00	\$400.0000	\$0.00	\$0.00	0.00%	\$0.0000	\$0.0000	\$400.00
Total:											\$4,350.00

Total Extended Price: \$4,350.00

Terms Conditions:

All axial components and surface mount parts must be on tape and reel and all SMT reels must have 5" lead tape at beginning of all reels.
Customer must provide accurate and current bill of materials, written documentation, instructions, artwork, drawings and/or sample.

ADDITIONAL costs will be charged if changes occur that are added or corrected due to verbal and/or written documentation/instructions, engineering changes or QUANTITY changes. ADDITIONAL charge will be added for rework due to customer-supplied parts that are non-conforming. This quote does not include costs for packaging/handling/shipping/insurance. These charges will be added to the invoice. We ship UPS unless otherwise requested.

If quantities change before completion of order, the customer will be responsible for purchasing all unused materials including Printed Circuit Boards (if applicable), shipping and restocking charges.
